## Boards to Discuss Police Department Joint Meeting Called

A joint meeting of the Village and Town Boards is set for Monday, Feb. 1, in the Town Hall building at 7:30 p.m. This session is scheduled for the purpose of conducting Nunda Police Department business.

The Nunda Police Department is jointly governed by both the

Town and Village Boards. Mayor Betty Morris acts as village police commissioner while Councilman Phil Brooks holds the town police commissioner position and Sam Gullo, assistant commissioner. The Commissioners are the direct link between the respective boards and the police department.

Members of the police department include Dave Thompson, Sergeant; Mike Bradley, Jim VanSickle and Jay Zintel, officers. The 1988 total budget appropriation for the Police Department is \$45,601. This amount is shared by the village and town from their respective budgets.

At a Jan. 11, Town Board meeting, Edward Fluker was appointed to a five-year term on the Town Planning Board. In addition, Mrs. Helen Orloff was reappointed to the Zoning Board of Appeals with a term expiring in 1992. "These are two fine community-minded citizens whose initiative and interest in local government functions and the well-being of their neighbors are appreciated," said Supervisor Gerald Johnson.

On Jan. 19, the town made the next to last payment on a bond anticipation note covering our purchase in 1986 of a highway truck. The \$22,993.52 payment included principal of \$21,200 and interest of \$1,793. One final payment is due in January, 1989, of \$21,200, and applicable interest. The town does not have any other long-term debt.

Regular Town Board meetings during 1988 will be held the second Monday of each month, starting at 7:30 p.m. in the Town Hall located on S. Church Street. The public is encouraged to attend.

## Area 4-H Delegate At Congress

Vickie L. Veley, daughter of Mr. and Mrs. Earl Veley of Barkertown Road, Dalton, attended the 86th annual National 4-H Club Congress in Chicago, Dec. 4-11, as the food preservation finalist from New York State.

Vickie, a ninth year member of the Barkertown Bloomers 4-H Club, has participated in various countywide events including clothing revues, public presentations and county fairs. Locally, she has participated in such projects as sewing, woodworking, a livestock project, indoor gardening, and a variety of crafts projects.

Food preservation, saving the summer's harvest for winter use, was an area in which she excelled. This summer, she spoke at several evening schools offered by the Livingston County Cornell Cooperative Extension office in Mt. Morris. She assisted Extension home economist Katherine Humphrey in preparing and evaluating jams and jellies made from different types of fruit peels for a demonstration at the district Leaders Forum in Canandaigua.

In addition, Vickie spoke with Mrs. Humphrey and Carol Couella on preserving the season's bounty for the winter months ahead on WCJW radio's "Talk of the Town" program in August. This required her to draw knowledge of food preservation and enhanced her public speaking ability.

While in Chicago, Miss Veley attended a number of banquets, dances, and concerts and heard speakers sponsored by national donor companies. She also toured museums and visited other local areas of interest.

The highlight of the week was a recognition breakfast hosted by her national sponsor, Kerr Glass Manufacturing Co. She received a gift from the national company.

While the delegates to this annual convention meet other 4-Hers from across the country, there is an even more significant purpose, leaders explain. It is an opportunity for outstanding 4-H youth to express the organization's appreciation of support by sponsoring companies.
